something I have in common with his daughter. He does disaprove of it

I think I will use Mark's screen names to post comments to the numerous Islamic news groups. I'll flood them like he does here. Then I'll post his call sign just to give the Muslims a means to find him and, if we're lucky, maybe they will pay him a social visit.
Flood on, Markie. Oh, and I'll be sure to include links to Mark's blogs so they can see that he claims to be a Jew, too. They'll LOVE that!

1438. Ambassador Heil Is Correct

When Ambassador Heil aptly described you as a Myna Bird, he hit the proverbial nail on the head.

It irks your sense of self-worth that the very same Mr. Heil that you several times attempted to befriend looked at you as nothing more than a mere newsgroup plague. A freak to be brushed off and summarily ignored. He rebuffed/ignored your weak attempts to concur with his posts and sloughed you off. As a result you felt that Mr Heil was not paying you the respect and recognition you so desperately seek and need, so you, after having your pride hurt, went on the offensive and attacked him.

You will never be able to worm your way into the good graces of others, Mark, especially the Code qualified Hams that you secretly envy.

I, for one, sincerely hope that Ambassador Heil will find success in his quest to get you ousted from Usenet. As can be seen, he has garnered several followers who are like-minded.

Keep up your crosspostings, Mark. You are not winning any friends.

Mr. Davies has been gone from the internet for MONTHS now. So why do
you torment yourself with thinking he's here.

You people make me sick.
You come in here
You don't know what you're talking about
You don't have a job
You live with your mama
You're going to jail
In Arkin-Saw.

Loose orifice killed my dawg Shane.
Chicken Fornicator killed my dawg shane.
Everybody killed my dawg shane.
Bill Clinton listens to 3950 every night.
Bill Clinton is the best president we ever had.
I don't care what Water Melon Man says.

Loose Orifice GET A RADIO ! ! !

And so it goes that the school yard bully runs from the playground while
crying over his shoulder, "I'm gonna tell the teacher! I'm gonna tell the

* PLEASE NOTE: The report "could" contain "Pirate/SLIM" operations or more likely a "BUSTED CALLSIGN". As always, you never know - "Work First Worry Later" (WFWL).

3A, MONACO. Ghis, ON5NT, will be active as 3A/ON5NT from January 23-27th. His activity will be mostly during his morning and evening hours.

3Y, BOUVET ISLAND (Update). Before last weekend there had been a report by Mehdi, F5PFP, indicating that he has talked to Petrus, ZS6GCM (3Y0E), via the Bouvet Island satellite phone and was told Petrus is currently unable to transmit due to a problem with his transceiver. However, on December 30th, Petrus/3Y0E and Rhynhardt/ZS6DXB had a conversation via satellite phone. Petrus was happy to confirm that the radio and antenna are working. He made a couple of contacts on December 30th with some ZS and PY stations. Rhynhardt/ZS6DXB and Petrus/3Y0E will be trying a new strategy to get 3Y0E into pileups. 3Y0E will, until further notice, be calling CQ between 1600-1730z on 14200 kHz only. 3Y0E will work simplex until Petrus gets more acquainted with the radio equipment. Please note that no pre-arranged skeds "contacts" can be arranged with 3Y0E. Petrus is still having some E-mail problems, and as soon as they are resolved, they will publish the 3Y0E logbook on the 3Y0E Web site. There has been a number of false cluster reports over the last couple of days and they urge anybody that hears Petrus/3Y0E calling CQ to record him and forward the recording to: zs6dxb@kats.za.net
The official 3Y0E operation Web page address is: http://www.3y0e.com

4X, ISRAEL. Henri, F6EAY, is now signing 4X8AY. No other details were provided. QSL via F5LGE.

6W, SENEGAL. Jacques, F6HMJ, will be active as 6W/F6HMJ from January 8-29th. Activity is usually on 80-10 meters on CW, SSB and RTTY. He will use an IC-706 MKIIG and HF9V. QSL via his home callsign.

9L, SIERRA LEONE (Update). Norbert, 9L1FZ, is currently active and can usually be found on 20 meters (14165 kHz) SSB. He informs OPDX that he will announce a QSL Manager very soon. He also tells OPDX that he can be active on all bands up to 30 MHz, from home, mobile, portable and maritime mobile. Modes of activity will be SSB, CW (please only if needed for specific diploma etc., as he is in the process of relearning after 30 years and is very slow) and all digital modes which can be covered by SCS PTC, including Pactor 3 and robust packet. Norbert adds, "I can operate crossband and duplex, as there are 4 transceivers and antennas available (remote transmitter available). I am not very active and not operating in contests but can spend a couple of hours on the radio if some folks need this rare country (don't think that there are more than 10 licences and more than 3 OMs active over here)." There is a possibility he may activate Banana Island (AF-037).

CN, MOROCCO. Didier, F4ELJ, will be active as CN4MC through January 3rd. Activity will be on 80-10 meters SSB. Most of the activity over the past weekend was on 20 meters. QSL via his home callsign.

CO8, CUBA. Eduardo, CO8LY, reports that he is very active on RTTY and PSK31 on all bands. If you need to work Cuba on any band, he is willing to make a sked for the QSO via E-mail. His E-mail address is: co8ly@frcscu.ciges.inf.cu

D4, CAPE VERDE. Operator Yuris, YL2GM, will be active as D4C during the CQ WW RTTY WPX Contest (February 9-10th) as a Single-Op/All-Band/High-Power entry. Operator Girts, YL2KL, will be active as D4C during the ARRL DX CW Contest (February 16-17th) as a Single-Op/All-Band/High-Power entry. QSL Manager for both operations go to IZ4DPV. For latest information, check the Web page at: http://www.d4c.cc

DXCC NEWS. OPDX was informed by Gabe, KP4BJD, who received an E-mail from Phil, 9Q1TB, who was recently active as TN/9Q1TB/p, was told by Bill Moore, NC1L, that his TN/9Q1TB/p contacts are not good for DXCC.

FJ, ST. BARTHELEMY. Paul, F6EXV, reports: "Members of the KH8SI group are happy to announce their upcoming activity from the newest DXCC entity, Saint Barthelemy Island. With the help and support of FJ5DX, FJ5AB and FJ5KH, both Yuichi/JR2KDN and Paul/F6EXV will sign FJ/F6EXV (callsign used for SSB and CW) and FJ/JR2KDN (callsign used for RTTY), from January 6-20th. Activity will be on 160-10m, with beam antennas from Cushcraft, vertical and dipole antennas, Yaesu FT2000 and FT857 plus 500W amplifiers. QSL via respective home calls, OK on QRZ.com.
Please note the following:
1) F6EXV will do CW, but is not primarily a CW op. He will do his best, be patient with him.
2) Several hams have been involved in the preparations. The list would be too long but let them be thanked already for their help.
3) A Web page will be available for log checking, though access to internet will not be possible from the operating location. Do not use the clusters to ask us to QSY places, it would be a waste of time... Logs will probably be uploaded every 2 or 3 days, depending on internet access. Details to be given soon, as page is being constructed now.
4) More details will come soon."

HB0, LIECHTENSTEIN. Tom, DL2OBO, will once again be active as HB0/DL2OBO from Chalet Barsula, January 1-9th. Activity will be mainly CW with an emphasis on 160/80/40 meters using a FT-1000MP with an AL1200 amp. Look for him on 40m the first night using a verticial. He will then use 2 element wire beams for 80m and 160m toward USA following the next day(s) and a single vertical for JA/Asia (He states, "Sorry, there is no chance for the 2 element in that direction.")

HC & HC8, ECUADOR AND GALAPAGOS ISLANDS (SA-004). Peter, DL9DAK, is expected to activate Ecuador (HC) and the Galapagos Islands (HC8) during the first half of January. His planned schedule is as follows:
January 2-9th - Active as DL9DAK/HC1 from Quito, Ecuador

January 11-14th - Active as DL9DAK/HC2 from Guayaquil, Ecuador
January 15-18th - Active as DL9DAK/HC8 from the Galapagos Islands
January 19-21st - Active as DL9DAK/HC2 from Guayaquil, Ecuador
Activity will mainly be on 20/17 meters (with some 40 meters) only on the digital modes (RTTY, PSK31/63, MFSK, Feldhell and Olivia500/1000) using only vertical dipoles and 50 watts. Look for him to be active as DL9DAK/HC1 during the "ARRL RTTY Round-Up" Contest (January 6-7th). QSL via his home callsign. For more information, please visit the Web page at: http://www.dl9dak.de

IOTA NEWS.....
AS-060. Chae, HL5YI, will be active as HL5YI/4 from Sorok Island, January 18-21st. Activity will be on 80/40/20/10 meters, CW, SSB and RTTY. He will also participate in the UK DX RTTY Contest (January 19-20th). QSL via his home callsign, direct or by the bureau.

EU-011. A French team of operators lead by Tony, F8ATS, will activate St. Mary's (Grid Square IN69UV) in the Isles of Scilly group between May 15-23rd. During their stay they hope to manage a 2 hour activation from the rare Grid Square IN79jx. The callsigns to be used will be M/homecall. Activity will be on HF (160-10m), VHF(2 m) and UHF (70 cm), CW and SSB. They are expecting one or several digit operators to join them. St. Mary's also counts for the "World Lighthouse On The Air" award under the reference: WLOTA 0234. En route to St Mary's, the team will be active as homecall/m and M/homecall/m, on 40m and 2m. QSLs for all of the callsigns go via F8ATS, through the French Ref-Union Bureau (please only this bureau). For those who cannot use the bureau, Tony will accept valid IRCs and SAEs (please avoid green stamps). More information will follow.

NA-075. Richard, VA7MJR, will be active from Entrance Island (BC) between Jan 9-20th. Activity will be limited due to work, but look for him on 80-6 meters SSB. Other reference numbers are: Canadian Island Award - BC 176, Grid Square CN89cf and Lighthouse CAN-171.

NEW OFFICERS FOR 2008. The following individuals were announced as new officers for the North Shenandoah DX Association:
President - Godfrey Miller, N8GM
V. President - Steve Cuccio, NB3O
Sec/Treasurer - John Kanode, N4MM

NEW PREFIX FOR BOSNIA-HERZEGOVINA IS NOW OFFICIAL. In an announcement by the ARRL and the ARRL Special W1AW Bulletin (ARLX008): "In response to a request from the Ministry of Communications and Transport of Bosnia and Herzegovina in August, the International Telecommunication Union (ITU) withdrew the call sign prefix allocation T9A-T9Z for Bosnia and Herzegovina and made a new allocation, E7A-E7Z. The change was made initially on a provisional basis under authority of the ITU Secretary-General and was confirmed by the 2007 World Radiocommunication Conference to be effective November 17, 2007.
According to International Amateur Radio Union (IARU) Secretary David Sumner, K1ZZ, the Ministry of Communications and Transport (BiH) held a press conference in Sarajevo on December 18 to formally announce the change. Minister Dr. Bozo Ljubic explained the desirability of changing a prefix that initially was allocated during wartime and how it was now being replaced with one that has no connection to that troubled time; similar steps have been taken with regard to passports, drivers' licenses and automobile registrations, he said. Ljubic also observed that the costs

associated with the change were minimal compared to the benefits. Amateur Radio station licenses bearing E7 prefixes will be issued beginning in January 2008, and the use of other prefixes will be phased out.
Sumner and IARU Region 1 President Ole Garpestad, LA2RR, of Norway, were invited to speak at the press conference. Accompanying them was IARU Region 1 Executive Committee member Nikola Percin, 9A5W, of Croatia. They expressed congratulations and support for the change, eliminating an issue that has complicated relations among the radio amateurs of Bosnia-Herzegovina.
Also invited to speak was Miroslav Nikse, President of the Union of Radioamateur Associations of Bosnia and Herzegovina (URAS), a recently formed umbrella organization of amateur radio associations based in different parts of the country. He thanked those involved in promoting the change. In his remarks, Dr. Ljubic pledged support from the Ministry of Communications and Transport to the umbrella organization for the development of Amateur Radio repeater and digital networks that would cover the whole of the country, enhancing emergency communications capabilities."

ZL8R DVD REVIEW. Another interesting video done by James Brooks, 9V1YC. This 46 minute video takes you to Raoul Island which is in the Kermadec Islands chain. As always, James shows you the beauty of the island. The island has a large and active volcano on it where an eruption recently took place on March 17, 2006. One scientist/conservationist died and several others were evacuated from the island. The video tells the story how the well-known ship (by DXers) called the "Braveheart" took a team of operators known as the "Microlite Penguins" to Raoul Island on a DXpedition in October that same year. James provides a view on how the team had to follow strict regulations by the New Zealand Department of Conservation before going to Raoul Island. All the equipment, clothing and gear had to be quarantined before leaving for Raoul. However, seeing that this was a "Microlite Operation", the radio equipment was light. The ZL8R operation only used 100w radios (IC-7000) and dipoles. You will enjoy the many different views from the island, and the interesting way the DXpedition team had to get their equipment on the island to operate.

This DVD is definitely another "must have" for the collection. The ZL8R video is available at: http://www.dxvideos.com

MI5. Persecution: Molestation during Travel

MI5s persecution of me varies in intensity. Since 1990 it. has been steady for perhaps 80% of the time; there was a notable quiet period in. 1993, and another quiet period in Jan-Feb 1995, as well as a. hiatus in the first two months of 1999. It puzzles me that they cease. and restart, seemingly without any. logic or reason. But one aspect of MI5s activities against me which is relatively predictable is this weeks articles topic,. which is Molestation during Travel. Almost every time I cross the. Atlantic, go to the Continent or even try. to enjoy a holiday in this country, you can bet that MI5 will be there doing their utmost to wreck it. all.

This aspect of the harassment. is particularly relevant as I will be travelling to Europe again in a. months time, with naturally the Minidisc recorder. in tow; so it will be interesting to see if I can record the abuse which will almost certainly take. place, either on the Tube going to the airport, at the. airport, on the flight, in the terminal building - MI5 have previously instituted instances of abuse at each. of these locations, so well see. how much taxpayers money they waste this time, and whether it will prove. possible to capture their abuse on minidisc.

Read. about the MI5 Persecution on the Web

June 1992 in Polands mountain. resort of Zakopane

The persecution started in June 1990, and. for the first two years I stayed in the UK apart from a. couple of brief day trips to Calais. By the summer of 1992. Id had enough of being cooped up in England with abusive fellow employees egged on by an abusive secret police service, and decided. to spend 10 days. in southern Poland, on what was intended to be a holiday at the. mountain resort town of Zakopane.

Unfortunately the psychopaths of the Security Service. were not willing to allow me to enjoy a holiday. in peace and quiet. The journey to Zakopane was by coach from. the meeting point at Londons Victoria coach station (National Express) followed by ferry followed. by another coach across Europe. As we left Victoria a youth and his girlfriend started. a loud tirade of abuse directed at "this. bloke", where the "bloke" was never named, but it was very clear that the "bloke" was. myself. The youth said "they" had "found somebody from his. school, and he was always really stressed at school, a real psycho". Again, the. label "they" was not elaborated on, but it was clear that. "they" = the persecutors from MI5. The boy also said, "he was. in a bed and breakfast for only one night and they got him". By a not unexpected coincidence. I had been in a B&B in Oxford a week previously, which had been booked from work; other. things

lead me to the. conclusion that the company's offices were bugged for most of. the 2 1/2 years that I was there, so "they" would have known a room in the B&B had been booked. After a few minutes. of this I went back to where they were sitting and asked where they were travelling. The boy. named a village in France, and. the girl's giggling suddenly ceased; presumably it permeated to her brain cell what the purpose of. the boy's abuse was.

It is now very clear to. me that MI5 were trying to have me incarcerated, assaulted or. killed on this trip across Europe. The degree of verbal violence inescapably leads to this conclusion. When we arrived at. our destination, it became clear that many people, both in. our tour group and its guide, and among the. ordinary residents of the town, knew there was a movement. under way to "get" me. MI5 employed many people and significant resources for an action which they knew would only take. a maximum of ten days. A commercial. operation would never have felt able to waste such resources on such. an unproductive and temporary action; only a state-sponsored, taxpayer-funded entity. like the Security Service would be able to be so. wasteful.

To give some. examples of what happened in those ten days; I was walking in some. woods outside the town, when a Polish woman, looking at me, said the English "shit" in. a strongly Polish-accented voice. For the first three years 1990-92 MI5 had been trying to force. this word on me. Another example; I was. walking near my "hotel" when a mother said laughing to her child, "a wiesz ze to prawdziwy wariat". which means "you know hes a real madman". And the. "TV reacting" happened there too; on Polish TV, a bemused looking journalist. said to another, "to jest sprawa Anglikow", which means "its the concern of the English", in other words,. none of our business, despite what the English are trying. to force down our throats.

Just before we left for home, I went with some others from our. group to a nearby bar. There a. man shouted at me the same sexual obscenity which MI5 have constantly thrown at me. these last three years. I think MI5 try to justify their various. terms of abuse by repeating them at me until I say them, either while conscious or while talking. in my sleep; and then they seize on my saying those words to "prove" that the obscenities are. "my fault", et cetera. This. rather stupid reasoning of theirs can actually be seen as indicative of the psychopathic condition attributed to them. in a previous article; blaming the victim for the crime you inflict on. him is how psychopaths. think.

Nor. did the persecutors let up during the return trip. Returning on the ferry over. the channel, a rather insalubrious-looking guy talked to his mates about "and you know this bloke, hes really mad you know,. hes really mad". On the National Express return coach to London, a group of. five or six young people started shouting at me. I slumped in my. seat and tried to avoid presenting a target, so they. got ever more strident - "whats the matter with you, cant you. hear us?" One of the other people who had been on the trip to. Poland asked them why they were shouting at me, and they said, "hes been to. Cambridge", to which the co-holidayer asked them, "have you been. to Cambridge?" presumably thinking they were aggrieved fellow

students, but they answered "no". Even after. I left the coach at Elephant and Castle abuse continued; in the tube station, two kids started. throwing abuse at me; one. of them said to the other, "and you know he works?" to which the. other answered "yes".

Immediate Aftermath of. November 1992

As you will know from previous articles, my manager at OCG -. ARIS/Oxford, Mr Mitchell, induced a mental breakdown in me in the months leading up. to Nov/92. The. diagnosis was regarded by the persecutors as a victory for them, because few if. any people give credence to allegations of harassment when they are made by somebody suffering from schizophrenia. There. is also a bias against. the mentally ill, an "institutionalised bigotry" in society comparable to the institutionalised. racism against blacks.

However, MI5 did. not let up on persecuting me following Nov/92. In December 1992. I flew by charter jet to Alicante in Spain for two weeks recuperation. MI5 planted one of their people on the. flight, a youth who tried to start some noises that "hes a nutter". One. of the other passengers replied, "oh hes a nutter is he? oh well!" and the. youth shut up. and said nothing for the rest of the flight. I think it would be fair to say that the youth on the. flight was embarrassed by what he had been asked to do in making the flight "uncomfortable" for. me; he sounded defensive rather than. aggressive.

My first trip to. Canada in June 1993

Ive already covered this in a previous. article so Ill just give a brief summary here. On 10 June 1993 I flew British Airways. from Heathrow to Torontos Pearson Airport. On. de-planing from the aircraft, one of a group of four fellow passengers looked at me and. said, laughing, "if he tries to run away well find him". It was. quite obvious that these four men were the ones who. had been harassing me since 1990.

I did nothing to. apprehend them or bring this incident to the attention of the airport authorities, mostly because this was. my very first visit to Canada,. and the last thing I wanted was to get into a dispute before I had even finished disembarking. In retrospect, I can see. this was a terrible mistake; I should have made every effort to detain. and identify these people.

Subsequently I. have made numerous attempts to obtain the names of these people from British. Airways passenger lists, by talking to BA, through a lawyer in Ontario, through. a solicitor in England, through the UK police, and also through private detectives in the. UK. But all my efforts have come to nothing. BA have told me they keep passenger lists for a period. of seven years, so. they will still have the list for this 1993 flight. I did not see or hear anything during. the rest of my visit to Ontario in 1993 which would have lead me to believe. that I was being watched or followed.

Journey. across Canada in summer 1994

As I think Ive already said in previous. articles I emigrated to Canada in late May 1994. For six weeks between late May 1994 and early. July 1994 I travelled across Canada from coast. to coast, starting in Toronto, visiting various cities and ending. up in British Columbia. I saw this both as something of a holiday, and the chance to get to know. a little better my adopted. country.

As you can. guess, MI5 followed me everywhere I went during these six weeks. In Toronto, where I started this trip in late. May, I was spoken about by one youth to another with the words "hes an idiot", to. which the other replied,. laughing sympathetically, "good luck to him".

A couple of days later I went to Montreal and stayed at. the YMCA downtown. As you can guess (this is all. so predictable, isnt it?) MI5 followed me there and bugged my room at the YMCA. Not only that,. but they managed to set-up an. instance of "newscaster reaction" from a local television station; while I was watching a Vermont TV. news programme on the set in my room, the. woman reporter said, "well theyre just tired and they want to go home", which sounds like a. pretty unprofessional thing to say until. you realise she was trying to say of me that I was the one that was supposed to be tired, and they (ie MI5) wanted me to. go home to the UK.

On the bus journey. across the North American continent, it was quite clear that MI5 were following me every step. on the way. For the first part of the journey they actually put someone. on the bus with me, a youth who said at me "that guys paranoid" and tried. to incite other passengers to attack me. I stopped for a couple. of days in Winnipeg in central Canada, and on leaving the town heard on the radio a. female presenter ranting about "insanity! insanity!". It is very tiring travelling such. a long distance by bus; I took the journey in two steps, each of about 36 hours; and. it is especially tiring when you know MI5 are watching you and harassing. you every. step of the way.

When I finally got to Vancouver, MI5. instituted the usual harassment, in very short order. I was surprised how quickly they were able. to induce hatred towards. me in elements of the general populace; the Security Service must have employed a. number of agents and serious resources in a very short period. of time; and for no real gain, because I havent been back to BC for almost. five years, so all their "work" appears to be for nothing. In downtown Vancouver a street person. said in front of me, "theyre all talking about him". For a few days. I was staying at Pauls Guest House (345 W.14th. Ave); on the day I left, the owner Paul shouted at no-one in particular, "hes going to Victoria". - which was quite accurate, I was indeed going to the provincial capital. Victoria on Vancouver Island. But I had. not told anyone at the guest house where I was going; I had only mentioned to. my parents back in England on the phone that I was going away from Vancouver for a few. days. Which leads me to suppose that MI5s bugging of the. phone in my parents house yielded the "intelligence" that I intended. to visit Victoria, and they had passed the information on. to Paul.

When I got to Victoria it was. again obvious that the persecutors were "doing their stuff" there as well.. On the street I was identified as being English,. although I had not said anything so my accent hadnt given me away; and returning by ferry to the mainland, I was abused by a. Canadian woman who said, "hes a. nutter! you can run but you cant hide". During my years in Canada I have never heard the word "nutter" on any. other occasion; I do not think it is part of. Canadians vocabulary; so the Canadian woman on the ferry, who. was obviously talking about me, must have been supplied with this word by the English persecutors. And once. I got back to Vancouver, staying. at the Austin Hotel on Granville St, I listened to a conversation in the apartment block directly opposite, and a. man saying, "hes paranoid, so thats as bad as it can be,. so why are they doing this. to him?".

Holiday in the States, August. 1995

By 1995 I was living in Canada, and in. August I went down the eastern seaboard to Florida and as far. as Key West by car. As you can guess (this is all so boring and. predictable, isnt it?) MI5 followed me every step of the way. I can see in retrospect that. this must have been quite easy for them. as they had my car bugged, both on the inside to listen to anything that was. said and what radio station I was listening to, as well as what must have been a tracker device installed to track it. across long distances.

The first city I visited was Philadelphia. In the old Congress Hall. where the. first US Congress assembled, the woman guide started referring to my situation, saying that "all these. people in Europe were watching it", and they were "a little paranoid" at this 18th-century experiment. in democracy. Also. I had recently written a newsgroup post where Id described a (female) poster as "wet-nosed". (implying "canine"), and a young girl in Philadelphia remarked, "so he. thinks were dogs?" There were two or three more incidents during. this holiday in the eastern States, including a radio station down near Miami, showing "they" had. tracked me all the way there, and were bugging the inside of my car; but. I didnt record the details and Ive forgotten some of it now. Also down in. Miami Beach a French tourist in a lift expressed support for me with the. words, "cest incroyable" ie. its incredible,. meaning that MI5s well-known actions against. me were beyond belief.

To go. back a bit, in about May/June 1995 Id visited New York, again by car, and was. insulted several times by people using the same words that had been used against me. in England. In Central Park, and elderly Englishman (not a real gentleman - but then the. Engish view of themselves as "gentlemen" etc is quite laughable). looked at me and said "idiot". And while I was. eating in a streetside restaurant a New York youth started laughing and said something like, "I cant believe it, hes actually here". - I think that was. because I had had an expressed wish to visit New York for some years before this, although after this visit I wont. be going there again for a very. long time.

Visit to. Poland December 1995/January 1996

In December 1995 I flew (BA again, unfortunately - every time Ive flown. BA one of. these incidents has happened, presumably MI5 is happier setting up harassment on British-domiciled. carrier) from Montreal to Berlin and travelled on to Poland to visit family. MI5 naturally harassed. me in Poland. during my brief stay. They followed me around and got Polish people to take part in the harassment. In. one case two Polish youths talked in front of. me saying in English (with marked Polish accents), "fucked up men, fuck you". There. were also other incidents which I dont remember too clearly since it was some. time ago.

The return flight connected through Heathrow, and in the transit. lounge MI5 again set-up harassment against me. In Poland they. were talking their abuse in English, and in London they set. Polish people after me to speak in Polish; they heard me on the. phone to my father, and said "a wiesz ze to Polski. wariat", in an almost sympathetic, inclusive fashion (translation. "you know hes a Polish nutter"). Once. on the flight to Montreal I was again set upon by two English youths, one of. whom spoke and the other listened. The aggressive "fat bastard" youth. said, "if he wants to be a wanker" (its my fault theyre. harassing me, you see), self-justification that "hes a nutter" (so we have to keep on. abusing him, because hes ill), as well as talking about. the town in Poland where I had been staying.. He also said, "he doesnt know who we are", but as already remarked in a previous article, that was at best. a half-denial of my guess expressed in internet newsgroups that the people. after me were MI5 - if anything its a. half-confirmation rather than a half-denial.

These incidents are still going. on. You can hear digitised audio files of abuse. on a BA flight to Berlin in 1998 on the Web at address

On this flight they were. again attacking my mental health; "paranoid, hes paranoid" and "nutter" are discernable. The last "during. travel" contact was at. Ottawa Airport on 21 July 1998, when "Alan Holdsworth" the psychopath MI5 agent, dressed as a vagrant, was. pacing aggressively in the departure area. In three weeks I will again be travelling to. Europe; we will see what. fresh acts of molestation MI5 perpetrate during this trip.

MI5 are Afraid to Admit They're. Behind the Persecution

MI5 have issued. a formal denial of any involvement in my life to the Security Service. Tribunal, as you might expect them to; but, more importantly, the persecutors have. never denied that theyre from the Security Service, despite several years of accusations from my corner. on usenet and in. faxed articles. I am not surprised that the Security Service Tribunal found "no determination in your favour". I am however a. little surprised that. the persecutors have refused to confirm my identification of them; by doing so, they. implicitly admit that my guess was right.

"No determination. in your favour" says the Security Service Tribunal

In 1997, I made. a complaint to the Security Service Tribunal, giving only the bare outlines of. my case. I do not think it would have made very much difference if Id made a much more detailed. complaint, since the Tribunal has no ability. to perform investigatory functions. It can only ask MI5 if they have an interest in a subject, to which MI5. are of course free to be "economical with the truth". A couple of months. after my complaint the Tribunal replied. that;

The Security Service Tribunal have now. investigated your complaint and have asked me to inform you that no. determination in your favour has been made on your. complaint.

Needless to say. this reply didnt surprise me in the slightest. It is a well established fact that. the secret service are a den of liars and the Tribunal a. toothless watchdog, so to see them conforming to these stereotypes might be disappointing. but unsurprising.

It is noteworthy that the Tribunal. never gives the plaintiff information on whether the. "no determination in your favour" is because MI5 claims to have no interest in him, or whether they claim their interest. is "justified". In the 1997 report of the. Security Service Commissioner he writes that "The ambiguity of the. terms in which the notification of the Tribunals decision is. expressed is intentional", since a less ambiguous answer would indicate to the plaintiff whether. he were indeed under MI5 surveillance.. But I note that the ambiguity also allows MI5 to get away with lying to the. question of their interest in me; they can claim to the Tribunal that they. have no interest, but at a future date, when it becomes clear that they did indeed place. me under surveillance and harassment, they can claim their interest was "justified" - and. the Tribunal will presumably not admit that in their previous reply MI5 claimed. to have no interest.

"He doesnt know who we. are"

In. early January 1996 I flew on a British Airways jet from London to Montreal;. also present on the plane, about three or four rows behind me, were two young men, one of them fat and voluble, the other silent. It. was quite clear that. these two had been planted on the aircraft to "wind me up". The fat youth described the town in. Poland where I had spent Christmas, and. made some unpleasant personal slurs against me. Most interestingly, he said the words, "he doesnt know. who we are".

Now I find this particular form of words very interesting,. because while it is not. a clear admission, it is only a half-hearted attempt at denial of my guess that "they" = "MI5". Had my guess been wrong, the. fat youth would surely have said. so more clearly. What he was trying to do was to half-deny something he knew to be true, and he was limited. to making statements which he knew to. be not false; so he made a lukewarm denial which on the face of it means nothing, but in fact acts as. a confirmation of my guess of. who "they" are.

On one of the other occasions when I saw. the persecutors in person, on the BA flight to Toronto in June 1993,. one of the group of four men said, "if he tries to run away well find him". But the other. three stayed totally quiet and avoided eye contact. They did so to avoid. being apprehended and identified. - since if they were identified, their employers would have been revealed, and it would become known that. it was the secret services who. were behind the persecution.

Why are. MI5 So Afraid to admit their involvement?

If you think about it, what has. been going on in Britain for the last nine years is simply beyond. belief. The British declare themselves to be "decent" by definition, so when. they engage in indecent activities such as the persecution of a mentally ill. person, their decency "because were British" is still. in the forefront of their minds, and a process of mental doublethink kicks in, where their antisocial and indecent activities. are blamed on the victim. "because its his fault were persecuting him", and their self-regard. and self-image of decency remains untarnished. As remarked in another article some time ago, this. process is basically the same as a large number of Germans employed fifty years ago against. Slavic "untermenschen" and the Jewish "threat" - the Germans declared,. "Germans are known to be decent. and the minorities are at fault for what we do to them" - so they were able to retain the view of themselves as. being "decent".

Now suppose. this entire episode had happened in some other country. The British have a poor view of the. French, so lets say it had all happened in France. Suppose there was a Frenchman,. of non-French extraction, who was targeted by the French internal security. apparatus, for the dubious amusement of French television newscasters, and tortured for. 9 years with various sexual and other verbal abuse and taunts of. "suicide". Suppose this all came out. into the open. Naturally, the French authorities would try hard to place the blame on their victim - and. in their own country, through the same state-controlled. media which the authorities employ as

instruments. of torture, their view might prevail - but what on earth would people overseas make of their actions?. Where would their "decency" be then?

This is why MI5 are. so afraid to admit theyre behind the persecution. Because if they. did admit responsibility, then they would be admitting that there was an action against me - and if the truth. came out, then the walls would come tumbling. down. And if the persecutors were to admit they were from MI5, then you can be sure I. would report the fact; and the persecutors. support would fall away, among the mass media as well. as among the general public. When I started identifying MI5 as the persecutors in 1995 and 1996 there was. a sharp reduction in media harassment, since people. read my internet newsgroup posts and knew I was telling the truth. The persecutors cannot. deny my claim that theyre MI5, because then I would report their denial. and they would be seen as liars - but they cannot admit it either, as that would. puncture their campaign against me. So they are forced to. maintain a ridiculous silence on the issue of their identity, in the face of vociferous accusations. on internet newsgroups. and faxed articles.

Have MI5 lied to the Home. Secretary?

In order for the Security Services to bug my. home, they would either have needed a warrant. from the Home Secretary, or they might have instituted the. bugging without a warrant. Personally I think it is more likely that they didnt apply. for a warrant - I cannot see any Home Secretary giving MI5 authority to bug a residence to allow television. newscasters to satisfy their rather voyeuristic. needs vis-a-vis one of their audience. But it is possible that the Security Service. presented a warrant in some. form before a home secretary at some point in the last nine years, for. telephone tapping or surveillance of my residence, or interception of postal. service.

So the possibility presents itself that a Home Secretary might have. signed a warrant presented to him based on MI5 lies. Just. as MI5 lie to the Security Service Tribunal, so they might have lied to a Home. Secretray himself. MI5 and MI6 are naturally secretive. services former home secretary. Roy Jenkins said, they have a "secretive atmosphere ... secretive vis-a-vis the government as well. as [enemies]". Jenkins also said. he "did not form a very high regard for how they discharged their. duties".

It was only a few years ago that MI5 was brought into any. sot the extraordinary thing is that. British media organisations like the state- and taxpayer-funded BBC take such. an active part in the MI5-inspired campaign of harassment. We have after all heard of MI5 trying to. bribe broadcast. journalists; but surely there must be a substantial number who are not. bought or blackmailed by the Security Services, and who take part in the "abuse by newscasters" of their. own volition? The BBC is supposed to be independent of the government of the. day as well as the Establishment. in general. While perhaps it is childish to think that the BBC is anything other than effectively state-controlled,. the degree of

collusion between the BBC and the. British Secret Police MI5 is something you would not find. in many countries. Individual tele-journalists in other countries would have. enough self-esteem not to allow themselves to be controlled by their secret police -. seemingly, BBC broadcasters like Martyn Lewis and Nicholas Witchell have such. a low opinion of their employing organisation that they. see no wrong in dragging the BBCs no-longer-good name through. yet more mud, at the mere request (whether supported by financial or. other inducements) of the British secret Police, MI5.

And. when challenged, these broadcasters LIE about their involvement, with just as little shame as MI5 themselves.. The BBCs Information dept have said. that;

"I can assure you that the BBC would never engage in any. form of surveillance activity such. as you describe"

which is an out-and-out lie. Buerk and Lewis. have themselves lied to their colleagues in the BBCs Information. department over the "newscaster watching", but. unsurprisingly they refuse to put these denials in writing. Doubtless if. the "newscaster watching" ever comes to light, Buerk and Lewis will then continue to lie. by lying about these denials. So much for the "impartial" BBC, a nest. of liars bought and paid for by the Security. Services!

It is obvious that the persecution is at the instigation of. MI5 themselves - they have read. my post, and only they have the surveillance technology and media/political access. Yet they have lied outright to. the Security Service Tribunal. Similarly, BBC newscasters Michael. Buerk and Martyn Lewis have lied to members. of their own organisation. The continuing harassment indicates. they are all petrified of this business coming out into the open. I will. continue to do everything possible to ensure that their wrongdoing. is exposed.

MI5. Persecution Update: Friday 11 June, 1999

Harassment in a pub in. Clapham, Tuesday lunchtime

Once a month,. or once every other month, I meet a Polish friends of mine who lives in Clapham North, and sometimes we go to a particular. pub near where he lives. The last time was some. two months ago; I did not have my minidisc-walkman with me, and consequently was seriously harassed. by people MI5 had instructed. to harass me, in the pub.

This Tuesday, 8 June 1999, we again went to the same pub. for a pre-meal drink. This time I did have. my minidisc-walkman with me. As you can guess, we were followed. into the pub by a couple of young people (Im getting older and older - isnt it funny how the MI5 agents all look. young these days?). They started talking. about my situation, in particular some travel I had booked the previous day. Unfortunately, they were. talking fairly quietly, and my minidisc didnt pick up their. speech.

MI5s schizophrenic reasoning is that simultaneously. I am very important and worthy. of their acts of persecution, and I am also totally unimportant and their abuse of. me "doesnt matter". Perhaps they should test their agents and managers for obsessive. personalities or psychotic features in the. same way as employees are drug-tested. MI5 might lose their "worst cases" employees if some psychological testing were applied. to their recruitment. procedure.

Toothless Watchdogs. What a. Surprise.

Recently I have. been engaging in communications with two watchdogs, the Security. Service Tribunal which deals with complaints against the security service (and always clears MI5. of any wrongdoing), and the Data Protection Registrar, which is mandated to investigate misuse of. personal data held on. computer.

In a letter to Nick Brooks, Security Service Tribunal secretary, dated. 20 April, I asked. him if the Tribunal, as an allegedly independent body, had the means to. investigate complaints against MI5 other than asking MI5 to themselves investigate complaints. To my. disappointment, his reply two weeks later answered the question only. indirectly, in the negative. Whatever the reader might think of the merits of the case. I have been putting before you in faxed articles this last year and half,. you will. surely recognise that it is a significant anomaly for the Tribunal to have no. independent means of investigating complaints, particularly given the view expressed. even by previous home secretaries that the security services are. untrustworthy.

MI5 Persecution: No Justice for. the Victims of MI5

In a previous. article I detailed the similarities between the current MI5 Persecution in England,. and other historical instances of similar persecution, notably that by the Nazi Germans in the thirties. and forties. The Germans persecuted first the mentally. ill, the epileptics and those suffering from schizophrenia,. then moved on to racial groups; in todays Britain the persecution is again directed at those. with mental illness, which the British in their cowardice find easier than. taking on racial groups as the Germans. did. But just as in Thirties Germany there was no recourse against a malign. and omnipotent state, so the MI5 Secret Police in the modern. British Fascist State allow no justice for their victims.

No Recourse Against the Security Services. Illegal Harassment

It. has become apparent to me over the last nine years just how loaded the dice are in todays. Britain, a fundamentally fascist country which masquerades as a democracy. Britain is a. democracy in name only; the Establishment, the defence. and MI5 secret police are always there, regardless of which party has. been voted into power most recently - and from "New Labours" conduct in office one finds it difficult. to tell them apart from Old Tories, in their crackdowns. on the sick and vulnerable in society.

In thirties Germany the. victims of the Nazi regime had no legal recourse against. their State oppressors; and in todays Fascist British state, the victims of the Establishment. and its MI5 Secret Police similarly have no recourse against the illegal state-funded and organised. oppression. There is supposed to be a mechanism for dealing. with MI5 crimes, in the shape of the Security Service Tribunal and Commissioner; yet. these have never found favour of. a plaintiff. One might as well ask the Nazi SS to investigate crimes against epileptics or Jews as. ask the Security Service Tribunal to investigate MI5 crimes against. British citizens; it is quite obvious what the answer is going to be, regardless of what you say. to them, and what evidence you provide. The Tribunal and Commissioner are a mere. formality, a whitewashing body to give the Secret. Services a veneer beneath which they hide their shabby. criminality.

"Institutional. Racism" and Bigotry in the Metropolitan Police

The recent inquiry. into the racist murder of Stephen Lawrence found clear evidence of systematic and. deliberate racism in the Metropolitan Police, which cannot have surprised. anyone. Commissioner Sir Paul Condon accepted a. somewhat lukewarm definition of institutional racism as being "unconscious". In truth, and. this truth must surely be obvious to anyone who. has any familiarity or encountered the great British police, the Met has. not just "unconscious" racism, but very clearly "conscious" and deliberate racism, of the kind that would. have done Thirties Germans proud. And it. is a bastion of such open racism - when many other parts of society are. learning to live in a multicultural environment, the Met is still living in the past in its attitude. to the minorities.

But in addition to the systematic racism confirmed by. the Lawrence inquiry, there is also something much. more relevant to this case, which is systematic police bigotry against the physically and. mentally disabled, which I personally have experienced in. my dealings with the police over the. years. You cannot expect equal treatment if you are mentally disabled.. I tried to make a complaint to the police in 1995 about the harassment I had been subjected to for. several years. As soon as they found out I had mental illness, they refused to even. talk to me. I tried again. in March 1999; the police made various threats to me, while ranting about "your. paranoid rubbish" in reference to the complaints expressed to them.

The police refusal to do the job they are employed and paid to. do is extremely serious, particularly as this case. is highly important, indeed key to the whole issue of British self-perception at the end. of the 20th century and the beginning of the 21st century. Britain has. lost much in the last fifty years - it has lost an. empire, it has lost its self-respect and its identity as. a people. If the MI5 persecution finally makes it into the. light and the Security Services are seen for the rather cheap bullies their behaviour. indicates, it will have a massive and harmful effect on British self-perception. in the new century.

Security Service Tribunal . - Blatant Whitewashing

A few weeks ago I spoke on the phone to. Nick Brooks, the Secretary of the Security Service Tribunal, which is supposed to deal. with cases of MI5 transgression. I asked him if the Tribunal had ever found in favour. of a plaintiff and against the Security Service. He answered that as far as. he knew, it. had not.

I also asked Mr Brooks if. the Tribunal had any means of investigating allegations of criminal activity by MI5, other than asking. MI5 themselves if they had engaged in such activity. His rather circuitous. written reply states. that the 1989 Security Service Act provides that "it shall be the duty of every member of the Service to. disclose or give to the Tribunal such documents or information. as they may require for the purpose of enabling them to carry. out their functions under this Act". Which is a very round-about way of saying - "No" - the Tribunal has no way. of investigating MI5 crimes - None At. All.

Setting. up the S.S. Tribunal, and creating a Security Service Commissioner, was really an. act of falsehood by the government. It is generally recognised that MI5 are out of reach of the normal. criminal justice system - the police, as we have. seen, have no intesot answer to the government; in. a previous article I quoted Roy Jenkins speaking of "a secretive atmosphere.... secretive vis-a-vis. the government as well as [enemies]", and a. "lack of frankness" from MI5.

If the government wanted to, it could reform. the secret services and ensure they acted in conformance with the. laws which have been enacted for them in the last. ten years. But apparently the present government does not see. any need to ensure security service compliance with the law. As noted above, the regulatory machinery for MI5. is deliberately weak; the Tribunal

has no independent. means of investigation, and it is simply a waste of time complaining to the. Tribunal or Commissioner.

Every so often,. fresh revelations come to light of secret service transgressions. We have heard from Shayler. that MI5 bugged Jack Straw and Peter Mandelson; we have heard from Peter Wright that MI5 plotted. to see Wilson ejected from office;. yet so closed is the system of government that the. law is never enforced against MI5 when they "bug and burgle" everyone from politicians. to ordinary citizens.

No Justice from the Legal. System, either

Britain has. a civil and criminal justice system which effectively limits many complaints from being heard. For a civil. complaint to be brought before a court, you need a solicitor willing to. act on your behalf.. Supposedly it is possible to represent yourself as a Litigant-in-Pthe basis of being "frivolous and vexatious" or. "disclosing no cause for. action in law". This is exactly what happened to me in 1997 when I twice tried to take. the BBC to court for spying on me in my living room at home; my case. was twice struck out, and on the second occasion an order was made against me that I could. not bring further civil litigation against the BBC without leave. of the court.

As the reader can guess it is quite impossible for. a person with schizophrenia, who complains about the secret services. and media interfering in his life,. to find a solicitor willing to represent him in legal action against the persecutors.. I have quite a lot of evidence of the continuing persecution which I have posted on the website,. even if the evidence is quite. tentative and perhaps open to varying interpretations. But I have tried several firms of solicitors; some. of them have acted unprofessionally and abused. me; all of them have refused to represent me. My. psychiatrist gave me the name of the firm of Bindman and Partners in central London, and I have approached them twice.. On each occasion they refused to accept my instructions. Plainly the problem. with Bindmans, which they have admitted, is their. bigotry against mentally disabled people; yet this is not just. something that is wrong with Bindmans, it is something. that is wrong with the legal system as a whole, since. the legal system necessitates finding a solicitor willing to represent you in order to bring a case to court, but it does not have. a mechanism for providing a lawyer in. the case where no solicitor is willing to take on your case.. So the British legal system is such as to prevent cases such. as mine from ever receiving an airing in a court.

So. much for the civil courts. But the criminal justice system is no better. Two years ago. the Protection from Harassment Act came into force. But again, while the Act is all very well on paper, in. practice it is unenforceable in my case, since it would. require Police action to see the law implemented, and if the police cannot. even be trusted to conduct a murder investigation competently (in. the Lawrence case), then what chance is there of their investigating complaints against. the Security Service? Of course, it would be possible for me. to personally issue proceedings through a private prosecution. either against MI5 themselves,

or against one or more of their media tools; but here we see the. same problems as with the civil courts, because first of all I would. have to find a lawyer willing. to act on my behalf. Litigants-in-person do exist in the criminal courts, but the Attorney General can. bring such a prosecution to an end by taking it. over and entering a plea of "nolle prossequi"; and I suspect that if I were. to bring a private prosecution against either MI5 or one of their. media tools, then this is exactly what would happen.

So. much for British justice. But if anything the wrongs that have been perpetrated on. me by the British justice system are quite mild to what others. have suffered. Others have been wrongly convicted based on police evasions and lies, and spent many years in jail based. on false charges. I should. count myself lucky that despite the best efforts of the MI5 secret police, I have not. acquired any criminal charges or convictions; which shows that for all their resources and influence, and. the clear imperfections. in the British legal system, there are still limits on how much. subversion MI5 can achieve.

The. latest in a long line of injustices

A comment I heard during the recent scandal of the police. mishandling of the Lawrence murder investigation is that "its. not as if the police themselves murdered him". This is not a. particularly wise statement to make about the case, since it could be argued that. the four alleged murderers were aided in their crime by. the expectation that the police would deliberately botch the investigation - which of. course is exactly what the. police did.

But in my case, this would be a completely inaccurate thing to. say - since the MI5 secret-police have expressly been trying. to nine years now to see an end put to my life,. either by having me incarcerated and my liberty ended,. or by forcing self-termination on me. It is exactly as if the secret police "themselves murdered [me]", since that is what their. aim is in their campaign. against me.

The public. has heard of instances of police mishandling of cases, of police manufacturing evidence, lying. in court, extracting false confessions to clear up crimes, et. cetera. Various instances of extra-legal activity by the secret services have also come to light. in the last few. years. The unhappy truth is that what MI5 have been doing to me for the last nine years is really. nothing out of the ordinary for them. To me it. seems unbelievable that this sort of systematic campaign of harassment, which thousands and thousands of people in this. country and abroad are well aware of, could. exist for such a long period of time with the. media maintaining "omerta". But my case is not the first such instance of persecution by the "British secret. police", and judging by the lack of any real controls on MI5, I very much doubt it will be the. last.

MI5 Have. Systematically Destroyed My Life

This is getting depressing. From the feedback Ive. received, the recipients of these faxes are tired. of hearing my complaints, and in truth I am tired of sending them. The reason I havent yet ceased sending faxes is because. I cannot think of any other. effective means of replying to MI5s actions against me, and I feel I have to do. something to try to defend myself. Three/four years ago. I got the MI5 harassment out of my system by posting about it on. Internet newsgroups, and for a few months this tactic was quite effective - I. received (and indeed still do today) support from newsgroup regulars, and. felt I could make my voice heard and break the MI5 monopoly on access to the British media. But. that was years ago, and today nobody gives a tinkers cuss about my internet posts -. so I have sought to escalate. matters by communicating directly with the politicians who allegedly say how. this country is supposed to be run.

Of course, its. quite expensive to keep up a campaign of fax messages for many weeks. Each set of faxes takes approx 50 hours. to send over the weekend,. and costs perhaps 35. My phone bill for the last quarter was 350. These figures are naturally insignificant. compared to what MI5 have been spending against me over a similar period. It. also takes a lot of time and energy to. create a new article every week, and try and find new and fresh aspects and viewpoints on MI5s persecution of. me. I am beginning to run. out of both new topics and energy to write these articles.

So I have a suggestion to put. before the MI5 persecutors who have been wrecking my life since. 1990. In a few days time I will be going on holiday to. Poland and Germany, for a couple of weeks. Previously, almost every time I. have travelled by plane, or gone anywhere on holiday, the MI5 "wreckers" have been most assiduous in destroying these. trips. My suggestion is; if MI5 leave me alone. on this next trip, I will cease transmitting these articles. If, however,. there are any clear instances of harassment (and I am very capable. of recognising MI5 harassment when I see it), then I will make public these. instances and publish any recordings I may make of them, and, unwillingly. and unhappily, continue the articles.

Read about the MI5. Persecution on the Web

Keith Hill MP (Labour - Streatham),. my elected representative, as ever refuses. to help.

MI5 Refuse to. Allow me to have a Normal Life

Its kind of difficult to contemplate having a normal. existence when you know. your entire house is bugged from top to bottom, for audio and, very

unpleasantly, video; when your employment is. systematically destroyed, over. and over again; when every time you leave the country your travel is disrupted by MI5 plants on the plane yelling abuse at you..... you get. the idea. I would like to have some semblance of a normal life,. like my Polish and English friends do. But MI5 have. made this impossible, and they have leached massive. resources from the taxpayer to institute a life not worthy of. the name on me.

A few. years ago MI5 were very open about their aims in persecuting me. They were shouting "suicide" at me, both in Canada where. I lived at the time, and during. my occasional visits to London. You cant get much clearer than that. There have. been instances as recently as a few weeks ago. of this intention being voiced by their side; on 15 April 1999, a woman at the next ticket counter at the. Royal Festival Hall said;

"it would kill it, you know, it would just be overkill... they can't. stop can. they"

meaning that. "they" were trying to "kill it" i.e. me and they "cant stop".. The audio file is at;

I wonder why they "cant stop".. Nobody (who doesnt know already) believes my claims - so what difference would it make,. if they were to "stop" persecuting me? Perhaps what this. persons remarks indicates, is the depth of the obsession MI5 have with this case. They have chosen at. random a person from the general population, and done. their worst to ruin my life.. What is wrong with these people, that they persecute a national of the country. whose citizens they are supposed to protect?

No Chance of a Harassment-Free. Job

Since the. harassment started in 1990 I have had three jobs, the first near Guildford,. the second in Oxford, and the third overseas in Canada. All three jobs. have been systematically destroyed by MI5. It is so ironic that MI5 employs a. team of agents, each well compensated for their efforts, to persecute just one person paid a mere fraction of. what they get for their "work". In. fact, it is a joke that MI5 is allocated resources for this sort of effort. If this area. of government were run along commercial lines then MI5 would. be very rapidly closed down, they produce nothing of any value, instead spending their. time obsessed with the bugging and surveillance of their former employees. like Shayler, dangerous subversives like Straw and Mandelson, and "threats to national security" like. yours truly.

Applying for my first post. university job

When I was applying. for my first post-university job in the closing months of 1990, I found at two or three job interviews that MI5 had. got there ahead of me. Interviewers knew what words to repeat from. what had been said. at my home recently; MI5 had supplied them with words to hurt me, and the "British secret police" were trying to wreck my job search. and discourage me from joining the world of. work. This and the continuing harassment in. the media and by the public meant that the search for a job

took very much longer than it. would ordinarily be expected to take for a person with. my qualifications.

With. my first job near Guildford came the knowledge that MI5 were doing everything. possible to make me lose the job. Despite their efforts I managed to stay in work for ten. unhappy months, during which they made very clear to me. that they were bugging my workplace, my accomodation in Woking,. my car, my home..... and they also made clear that they had "got to" my. employer in Guildford.

Employment. with Oxford

I was able to. find a new job, with Oxford Computer Training Services (now ARIS/Oxford), quite quickly. But it became very. clear, very quickly, that MI5 were treating this job the same as the first;. they tried to get the other. employees and in particular the managers to attack me. It was plainly MI5s intention that I be. sacked fro this job. But I was not sacked; instead, after almost a. year of abuse from OCTS managers, I was forced to seek medical help, and had to take two months off. for medical leave. OCTS MD Hugh Simpson-Wells was motivated. in keeping me on by the fear that if he. sacked me, then I would take him to court for the treatment OCTS. managers had meted out to me during 1992.

Emigration to. Canada

When I emigrated to Canada. in 1994, I did think that perhaps MI5 would leave me alone, given. that I had made the effort to leave the UK and try to find a new life overseas. I could not see any reason why. they would continue to. harass me over in Canada. But clearly the MI5 agents had their salaries to think about, since continue to. harass me they most certainly did, at my home in Ottawa, and by getting fellow employees to. speak against me, as had happened with previous. jobs in the UK.

MI5 are denying me a future. in work

Former Chief Constable of Devon and Cornwall. John Alderson had this to say regarding MI5's. activities;

"MI5 is not under the same restraints as the. police. They infiltrate organisations, people's jobs and. lives. They operate almost like a cancer."

Currently. I am on disability, and I can see that MI5 are denying me a future in work. It would be an insult to. logic for me to return to work and find a job, in the knowledge that an. entire team of MI5 agents, paid in total many times what I would be earning, would. have the objective of seeing me "done down" in the employment, and ejected from the. place of work. This situation is completely wrong and nonsensical. - I would very much like. to have a job, but MI5 are preventing me from even thinking about returning. to work. The culture of secrecy in MI5/MI6 means there is no objective oversight of their. expenditure, when external oversight and greater transparency. might lead to wasteful and illogical operations such as that against me. being shelved.

Watched and Harassed at my. Home and Accommodation

As you will know if you have been reading these articles, MI5 have. watched and harassed me at my home, and at. every accommodation Ive had since 1990. Theyve also watched me at neighbours houses in. London, and at short-term accommodation such as hotels and. bed-and-breakfasts. They have used the "words" gained from these watching activities against. me, by passing these words. on to other people such as OCTS managers for them to make clear that I am being watched. where I live.

Harassed at. rented rooms in Oxford in 1992

This was at its worst in 1992 in Oxford, where during. the week I lived at rented accommodation in Oxford, and at weekends returned. to my parents home in London. I was being severely harassed by managers. at my place of work, OCTS; and it was clear from the things they said that they. were being supplied by MI5 with details of. my home life, that they were being supplied with. words to repeat at me.

In 1992 I moved house. in Oxford many times, living at a total of five rented accommodations in ten months. In. January I started off living in a rented room at Headington near the ring. road / A40 intersection; then when it became clear that house was. being bugged, moved to a rented room in Botley, some miles away. It was at the house in Botley. that I had an "interactive. watching" experience with Martyn Lewis while he was reading the news; I threw a term of. abuse at him; he first flinched, then gave a gsult of what I had just said, he was no. longer "on my side".

So I. moved house again. This time to a place in Cowley, near the Rover car works, where. I stayed for a few weeks. Because of continuing harassment at work, I soon. moved from this accommodation, to yet another rented room on Iffley Road. By this time. I was very ill and being abused continuously at work. Again, MI5 followed me. to the rented room on Iffley Road, and created new. instances of "newscaster watching". There was a television in the room which I watched,. and as you can guess the newscasters got at me when I was watching. the television. Also once I was assaulted, if thats the word for what happened, on leaving the house; a. youth grabbed me by the coat lapels, roughed me up a bit. with various terms of abuse. I did not report this assault to. the police, because what was happening to me at work was very much worse, and nobody seemed to. think that that was worthy of being reported to the. police. Later that day at work, Alex G, a fellow employee, said "I heard he was. assaulted".... I had not told anyone at work about the incident that morning..... so once again it was. made very clear that MI5 were. watching my rented accommodation and giving information about what was going on there to managers. at work.

So I moved house yet again in late. autumn 1992, this time to a rented room in a large house on Woodstock Road. I stayed there. for several weeks as the situation at work. deteriorated due to OCTS managers abuse, until I was forced to take sick leave from work for two months and attend. hospital as an outpatient; at which point I gave. notice on the room, and returned to London.

MI5 continued to harass me after the diagnosis of serious. illness was made. As reported previously, they harassed me on a flight to Spain. in December 1992; and in 1993, when I returned to live. and work in Oxford, they again bugged my rooms, as well as my workplace, although. the intensity. of the harassment was very much less than in 1992.

Watched,. followed and harassed in Canada

It dismayed me to find that MI5. would not leave me alone after I had settled in Canada. In January 1995. I rented an apartment at the Bayshore complex in Ottawas. west end. For some weeks there was no sign of the "buggers". But then it started all over again.. They first bugged my car, which had a car alarm installed - the alarm went off. two or three times in a single. evening, and the following day gave a signal that the car had been broken into. Then they bugged my. apartment, and in particular they installed bugs on the phone line in my. apartment.

In September 1995 I moved. to a new apartment in Ottawas Bytown Market area, the restaurant and entertainment heart. of Canadas capital. This proved a serious mistake.. In the west end I had been fairly distant from the centre of town where MI5 concentrated their efforts at turning. people against me. In the Market area it was much easier for the. persecutors to motivate people to harass. me, and over the next couple of years there were frequent instances of harassment by. the general public.

From 1995 I had. some Polish friends in Ottawa, and as the reader can guess, MI5 have spent much effort trying to break. up this friendship. They supplied various things about my home life to these friends,. for example where I was. living in the Market, directly over the road were the studios of a music radio station, which you had to "look up" to see; and. MI5 told these friends that I. was "looking up" to see the radio station; so the friends then replayed these. words back to me, that I was "looking up". MI5 have also made various sexual slanders against me, and these friends. also unwittingly replayed some of. the words they had been imprinted with by the MI5. persecutors.

MI5 Will Never Allow Me to. have a Normal Life

I have heard. many excuses as to why MI5 continuously prevent me from having a normal life.. We are told that MI5 are defending the country against. a tere to zero.

When I have travelled abroad, they always put their people. on the flights, on the. journeys I undertake, to continue the harassment, so that I am put off further overseas travel, and chained to my home in London. Yet. even this is illogical, because when I lived in Canada,. they would still put people on flights back to the. UK.... and what possible reason would they have for doing that? Perhaps the truest words to describe. the MI5 persecution is that reason has nothing to do. with their activities - sane people do not behave in the. way the MI5 British Secret Police have been doing.

Summer 1999 -. more MI5 harassment?

In only a few days time I. will be going to Europe again. This time I have deliberately chosen to travel by a. non-UK airline; so we will see if they put their paid. agents on this foreign carrier, we will see if they try to harass me. on this non-British flight.

If they do. harass me on this trip to Europe, or if they resume the harassment in London after I return home, then. I will continue to report their. activities in these faxes. As I said at the beginning of this article, I would very much like to not have to. send these articles any more, but that is not my decision to make - it is entirely up to. MI5 to cease their pointless persecution of me, once. and for all.

MI5 Persecution Update:. Friday 9 July, 1999

Harassment in. Poland, July 1999

And still it continues.... in my last fax I. said that provided MI5 made no attempts at harassment during my two-week holiday this summer, or after. I returned to England, then I would discontinue. these faxes. Unfortunately MI5 have continued to harass me, both during the holiday. and after my return to London. I. really dont want to continue these articles, since they take up so much time and effort, not to mention expense; but. the Security Service wont even let me have. a holiday in peace and quiet, so I have to. make further efforts to bring their activities out into the open.

In early July I visited my aunt and her family in Poland. On. Saturday 3 July 1999, I went. to a family barbecue at an allotment outside the city. One of my aunts family has previously shown himself to. be in the "enemy" camp, by saying the Polish equivalent of "something wrong. with him", and various other unprovoked insults. It. is disappointing that one of my family could forsake the usual ties of blood and take. part in the actions. against me, but thats the way it is. This guy turned up at the barbecue, and started making. insults against me. In particular, he started to say something about the. video camera which I had brought along on the trip, and the relevance. of the video-camera to my fight against the persecution. It seemed pretty obvious to me that my. enemies had told him to turn. up to this occasion, and most likely schooled him in precisely what. words to say; since hes an unintelligent person and would not be able to. think for himself what insults to make against me.

Harassment. in London, week ending Friday 9 July 1999

Got back to London Wednesay afternoon. Two incidents on the. Underground returning. from the airport. Unfortunately I wasnt recording because I wasnt. expecting trouble, so these slipped through the net. One of these was verbal sexual abuse, of. the type Ive heard many, many times before these. last three-and-a-half years.

Yesterday, Thursday 8/July/1999,. I switched on Heart FM which had never "got at" me before.... and the presenter started. making jokes about "mad, crazy" etc. Again, wasnt recording. this because Id never had any trouble from this radio station and. wasnt expecting any.

Also yesterday, on a bus. (155?) from Balham to Clapham, a couple of girls started harassing me with taunts of "crazy".. By now I was expecting trouble and recorded an audio file of this instance of abuse, at. web URL;

The cynical reader might think my demeanour or behaviour had. given rise to the taunts of. "crazy" recorded above. But I assure you my behaviour on the bus would not have made anyone think I was ill; and. the taunts the previous. day were the same sexual words as previously; so I'm quite sure that these incidents are either deliberately. staged, or indicative of an overall high level. of awareness among the London public, particularly in the part of London where I. live.

Keith Hill MP (Labour - Streatham), my. elected representative, as ever refuses to. help.

MI5 Persecution: Harassment through. the Radio

One of the aspects of the MI5 persecution. has been harassment through the broadcast and print media; and one of the. aspects of harassment through the broadcast media is being "got at" by radio presenters.. This being "got at" from the radio takes various forms,. the most obvious form being through overt or hidden. words and insults. But there are other, subtler forms. In Canada a couple. of years ago, I used to listen to the local radio stations every morning driving to work, and. listened to the music only,. switching between radio station presets rapidly as soon as a presenters voice came on, so that I would not be subjected to any. verbal harassment by. the D.J.s. But they found a way around this; they kept on playing the same song, every bl**dy. morning at the same time, which had the words. "all coming back to me"; the perceptive reader will remember that the words "coming back" have special meaning (see. the Private Eye cover. at web URL; for the
hidden. meaning).

And thats. not the only time theyve allowed the songs themselves to be used as abuse against me; many years ago Radio-1 in the UK. did exactly the same, and the DJ even. made it explicitly clear by saying, "dont you sometimes feel as if. the songs were made just for you".

"We should be done for attempted. manslaughter" says Chris Tarrant

Capital Radio. DJs have been "in on it" from the start. One of the first things I heard in the summer. of 1990 was from a Capital DJ who said, "If he listens to Capital then. he can't be all bad" (supportive, you see. We're not bastards). Much of what came over. the radio in 1990 is now so far away the precise details have been obliterated by time. No. diary was kept of the details, and although archives if. they exist may give pointers, the ambiguity of what. broadcasters said would leave that open to re-interpretation.

In spring 1994, Chris Tarrant on his Capital morning. show made an aside to someone else in the studio, about a person he didn't identify. He. said, "You know this. bloke? He says we're trying to kill him. We should be done for attempted. manslaughter".

That mirrored something I. had said a day or two before. What Tarrant said was understood. by the staff member in the studio he was saying it to; they said, "Oh. no, don't say that" to Tarrant. If any archives exist of the morning show (probably unlikely) then it could. be found there; what he

said was so out of context that he would be. very hard put to find an explanation. A couple of days later, someone at. the site where I was working repeated the remark although in a. different way; they said there had been people in a. computer room when automatic fire extinguishers went off and those. people were "thinking of suing for attempted manslaughter".

Pirate Radio "gets at". me

In another incident in. 1990/91, Id been listening to a pirate radio station in. South London for half an hour, when there was an audible phone call in the. background, then total silence for a few moments, followed by shrieks of laughter. "So what are we supposed. to say now? Deadly torture? Hes going to talk to us. now, isnt he?" which meant that they could hear what I would say in my room.. Note the word "deadly" - they give away. their purpose.

It constantly surprised me that MI5. are so easily able to subvert broadcasters, and, in this case. of the pirate station, to do so, so quickly. I think the answer to this question is that they must have. very wide contacts in the broadcast media; presumably. some or in fact many of those contacts are literally "bought". In the same. way as they tried to buy Jon Snow of Channel. Four news, they must have bought many broadcasters and use them both directly to make insults against me, and. promulgate their points of view; but also, they must use. these "bought" broadcasters to. influence other television and radio presenters, who might not even be aware that it was on MI5s behalf that. they were being influenced to "get at". me.

BBC-Radio-1 D.J.s celebrate my job termination in. November 1991

This is another one from the "early years".. At the beginning of November 1991 my employment in Woking, Surrey was. terminated. Chris Tarrant of Capital-FM had already made nasty remarks. about both my work for the company, and the managers of the company themselves - "so theyre. not really a serious company, well theyd have to be to employ you. wouldnt they".

So. when I was terminated, as you can expect, BBC Radio 1 D.J.s celebrated. On the Saturday afternoon. (either 9/Nov/1991 or 16/Nov/1991 - I cannot remember precisely) I briefly listened. to Radio-1 and heard the disc jockeys loudly proclaiming. "youre useless, you should be sacked". On the same day,. I went down to the Kwik-Fit in Tooting to get my cars tyres replaced, and in the office ran into a couple of. their staff, one of them with an Australian accent, who said "what do you think about. it then? Its getting killed on the. radio."

Plainly, if a random car-repair shop in Tooting knew. about the persecution, then. many thousands of other people across the capital and all over the. country must have known. And the phrase "getting killed" shows very clear awareness of. what the MI5 Persecutors intentions towards me were in 1991, and judging by the continuing harassment,. still remain. today.

Recent Feedback from. Virgin-Radio

As readers will know, from mid-March 1999 for. some four months, every weekend, I have bombarded Westminster MPs with. faxes about the terrible, all-encompassing MI5. Persecution. (Jesting aside, it really is terrible and all-encompassing, in the UK anyway.) In. June 1999, after I'd been at it some three months,. I started getting "covert" feedback from Virgin Radio.

The first. feedback I got was from Danny Baker, on Sunday 13th June. That weekend I was. sending an article which contained biting criticism of the police inaction in this case. Danny Baker on his Virgin radio. show started an angry rant that "he knows it's rubbish",. ie. he was rubbishing what I'd said in that weekend's faxed article. Unfortunately. I wasn't recording this. programme.

The next possible Virgin-Radio feedback was a week. later on 19th June 1999. This is contained. in the audio file above, in which Johnny Boy on his. "Wheels of Steel" programme says;

"and if. you would like to put a triple play together, ahhh.... because quite frankly Hipster and me are. running out of ideas...."

He goes on to counter Hipster's "how dare you" with a protestation. that he is "only joking". You can listen. to this incident on my website at URL;

What. I reckon is that my article faxed to MPs that weekend was forwarded by one of the recipients to Virgin. Radio. My article had included the words;

"I am. beginning to run out of both new topics and energy to write these articles."

So what I. reckon is that Johnny Boy read the article.... and rephrased the above line "run out of ... new topics". to "running out of ideas". I recognise. that this is a pretty tenuous inference to make.... but do listen to the audio file, from the "ahhh...." pause in. JB's speech you can guess. he is about to say something "risky" and at someone's expense. Anyway, I listen to. the Wheels of Steel regularly and will continue to do so, recording it as I always do -. so any future funny remarks will get immortalised on my website! (There. was a previous incident from August 1998 which. is preserved at web URL;

but I am. sufficiently uncertain about it that I have not included it in this. article.)

First Ever Radio Reference. - Alan Freeman of BBC-Radio-1

The first time I was ever referred to. on the radio was sometime in May or June of 1990, by Alan Freeman. of BBC-Radio-1. Note that this isnt an "interactive listening" episode, its different, this was. Freeman reading out a letter. from one of my "real life" enemies.

Id acrimoniously broken up with some former. friends in January of 1990, and I think they were still trying to cause me trouble in. June of that

year. Freeman on his rock show read. out a letter from an "Andrew Turner"; one of my acquaintances. from January 1990 had been called Andy Turner, so I think its the same guy. Freeman. quoted Turner as saying various things about me, in particular. Freeman said "thats a hell of a letter you wrote there Andy", "with a. schizophrenic you're never alone", and something about the "one who. wore out his welcome with random precision" (from the words of. the Pink Floyd song).

When I. was looking for primary causes of the MI5 persecution, this letter which Freeman had read out on his programme struck me as. being potentially one of the sources of the persecution. I. know Turner and various others in that group. were very bitter at what they saw as their failure and my undeserved success, and they were quite. determined to upset the applecart. Of course several. other primary causes are possible; I do not know why MI5 chose me as opposed to someone. else, and MI5 are hardly likely to tell. me.

"Absolute Obscene" David. Hepworth of GLR

This one Ive assigned. a 100% rating on the website. There are actually two separate incidents,. which are linked through the D.J.s choice of words. The first incident can. be heard in computer audio at web URL;

On 21/Feb/1997, I was listening to BBC GLR, by stealth. Back in 1990. I used to have Capital. blaring out of the speakers all over the garden ("if he listens to Capital then he can't be all bad",. thanks ever so much). But now. I listen on my walkman on headphones with the volume turned right down. It could not possibly be overheard by. any listening device, no matter how sensitive,. because sound does not carry from the phones.

Yet somehow they are still able to tell which station I am. listening to on the walkman. And last night, I bravely tuned to. GLR 94.9FM at around 8.45pm. Everything. went well for the first half hour or so. Around 9.10pm, Hepworth said the. following after the song "Come Around" by the Muttonbirds.

"coming up after this, we. got the rock-and-roll A-level, we have, I assume, Brian do we have an embarrassment of prizes in there, we do,. don't we, absolute obscene amounts of. prizes, there will no doubt be a riot at the back door, and that's, er, A-level coming up. after this"

The key phrases in. what he said are, "EMBARRASSMENT of prizes", and what he himself emphasized verbally, "ABSOLUTE OBSCENE amount of prizes".. It is my belief (based on content and tone. of voice) that when he spoke these phrases he knew I was listening, and that the phrases refer directly. to my situation. The "EMBARRASSMENT". is the embarrassment he and other media people would feel at. having their wrongdoing exposed; the "ABSOLUTE OBSCENE" (which he verbally emphasized) described. the disgusting sexual abuse which the. harassers have been throwing at me.

There was a second incident, on 9/May/1997,. which may be found on the web (with. computer audio) at URL;

This incident again contains the words. "absolute embarrassment of prizes", with the same emphasis as the first instance, and. laughter following the phrase. So theyre aware of the complaint. I made on Usenet after the first incident; and they are so arrogant. that they do exactly the same again. They are so arrogant, they know they are being. recorded and that what they say will be published on the web, but. they dont care. What corrupt media, and what. a corrupt country to have such corruption in its media.

Three. Years of "MI5 Persecution" Faxes

Ten Thousand Faxes, and Still. No Breakthrough

In the. last three years I have sent at least 5,301 faxes directly from my computer,. and 4,478 faxes through Demons extremely useful TPC.INT service, to politicians and the media, in the subject. of the "MI5 Persecution". This has obviously cost me quite. a lot of money, not to mention time and effort. The aim of all this communication has. been to try to put. discussion of the "MI5 persecution" into the public arena; unfortunately, this aim has not. been achieved, yet.

This fax will be my last. transmission for the time being, since the summer recess is almost upon us. Depending on what. the persecutors do between now and the autumn,. I may or may not resume faxing later this year. In the article dated 18/6/99 I said Id. stop the articles if MI5 left me alone; but they seem to have no. fear of these articles, since they kept pursuing me. in Poland and after my return to the UK. Again, if they leave me alone this summer then I wont have to resume the articles. in the autumn; but I think its fairly obvious that. MI5 have nothing better to do with their time than to go after. me, and its almost pointless to make this offer when I know. they wont cease harassing me.

TPC.INT 1996, 1997,. 1998.....

Three years ago I was living in Canada, and. the only economic way of sending faxes to. the UK was through the international email-to-fax gateway TPC.INT. This highly useful and totally free service converts. emails (which may have Postscript-formatted attachments). into faxes which it delivers to. any number within the UK. Using the telephone book, I constructed a computer database of. M.P.s fax numbers, and used this database to deliver copies of the "FAQ -. frequently asked questions". article which Id written some time earlier.

This service is still operational, but given that I have. resided in London for the last year, I do not need to use Demons service when I. can send articles directly from. my own computer using its fax/modem, which is what I have been doing since 1998. However, instead of. just sending the FAQ article, Ive been composing. articles on various aspects of MI5s treatment of me.. Since their activities have been going on for nine years now, and there have been various aspects to their actions;. they have harassed me at work, at home,. through the media, etc; I have so far not run out of things to say, particularly since their harassment of me is still. ongoing, and I have been able. to record the actual words used by their paid agents on my minidisc-walkman. Since mid-March 1999 I have been sending these. articles

pretty much. every weekend.

Anyway, as mentioned above, I intend this to. be the final transmission before the. summer recess, and it would be nice not to have to continue these articles in. the autumn. But thats something that depends on them, not me, and their attitude is unfortunately. clear.

Why am I sending these. articles?

Because I want the harassment to stop. The cynical reader might. think from these articles that I "thrive on adversity" and. would be lost without the harassment to complain about; but. that is not the case. In a perfect world I would like to return to work, in. a job unsullied by MI5s attempts to ruin it; I would like to. live in a house which wasnt bugged, with my words being. repeated at me wherever I go; I would like a normal life. I do not particularly thrive on. adversity; I am beaten down by adversity; the purpose of these faxes is to try to bring the. whole matter out into the public arena, where. the rights and wrongs would be visible to all, and once that were to happen, the adversity might cease. I have had. something approaching a normal life a couple. of times in the last nine years, but always, in the end, MI5 turn up. and ruin it. I just want these people out of my life,. permanently, and the only way of doing that is to kick this business into the public arena, and shame MI5. so that they are incapable of. doing me further damage.

Having said that, unfortunately it seems fairly obvious by. now that these faxed articles are. not going to achieve that aim. Some of the recipients know what. I am saying is true; but they choose to stay quiet - wisely, because if. they were to admit the truth of these articles, then they would bring the wrath of MI5 down. on their heads. Presumably most recipients do not know these articles are true; their reaction to me is. the same as my reaction to the other apparently deluded. people who have sent me email after reading my webpage to tell me it. happened to them too; the reaction being, "leave. me alone, I dont want to know". Its sad that many M.P.s have given me this reaction, because my case. genuinely is different; I genuinely am. telling the truth, and the harassment genuinely is happening to me, and some recipients. of this fax know this to be true.

"Write to. your own M.P."

My local M.P. is Mr Keith Hill, Labour-Streatham. He. refuses to have anything to do with me. He refuses to represent me,. he refuses to talk to me,. he has told me not to communicate with him. He has done absolutely nothing to. help me, and he has told me he will do absolutely nothing to help. me.

Other M.P.s, recipients of these faxes, have for. quite some time been telling me, "write to your own M.P.". On. 23 March 1998, Paul Burstow M.P. wrote. to me; "Whilst I take the issues that you raise seriously, there. is a strict Parliamentary convention that one Member of Parliament does not take up anothers. casework. Can I suggest that you write to your own M.P. at the House. of Commons?" Hopefully the above paragraph will

make clear that I have written to my own M.P. and he has proved. unhelpful.

Other M.P.s have told me. the same thing. On 21 May 1998, John McFall M.P. told me, ".... there is a parliamentary convention that M.P.s do not take up cases of people not. in their constituency..... therefore can I suggest that you write to your local M.P. who will. be better able to assist you." . And on 8 June 1998, Michael Foster M.P. wrote to me that "M.P.s are inundated with unsolicited faxes .... M.P.s. have a considerable amount of constituent work to deal with, thus other. M.P.s constituents cease to be of. concern in so far as they should have a voice and representation".

Simon Hughes M.P. wrote to me on 5 November 1998, "There is. a strict parliamentary convention which states that I am not able to. represent individuals. who are not constituents of mine. My advice is that you find out who your own Member of Parliament is. rather than circulating your story to all M.P.s.". To my suggestion. that Keith Hill M.P. was doing nothing to. help me, George Foulkes M.P. sent the following faxed response; "If Keith Hill your. own M.P. cannot help no-one else in the House of Commons can." But it is clearly. not a case of "cannot" help, but "will not" help. I have detailed in letters to Mr Hill. specific ways in which he could help me, first of all by. finding a lawyer to represent me. It is Mr Hills job as a Member of. Parliament to represent his constituents; if he chooses not to do so, then it. reflects badly on him.

Kate Hoey. Sympathises, but says, "Write to your own M.P."

Here is part of. a letter Ms Hoey sent to me on 15 June 1999.

I appreciate that. you have concerns about the persecution and harassment that you feel you. are experiencing but I note that your MP is in fact Keith Hill. There. is a very strict Parliamentary code which means that M.P.s. can only take action on matters that relate to their own constituents. I am. aware that you are not happy with the fact that you do not feel Mr Hill will assist you but I am afraid that I. cannot take any action on. your behalf.

Ms Hoey. plainly belongs in the camp of people who do not know about the reality of the "MI5 Persecution". She. doubts its existence; "the harassment you feel you are experiencing".. She urges me to see Mr Hills assistance,. as have other M.P.s detailed above.

Really, the fact that. I am unable to obtain assistance from any other M.P., if. my own alleged "representative" Mr Hill chooses not to represent me, is. a very basic weakness in the Parliamentary system. Beinggmainly events at my. former employers in Oxford during 1992, when I was harassed constantly by manager Steve Mitchell for most of. 1992, and was forced to begin attending hospital as an outpatient as a. result. This harassment was obviously of Mitchells own volition, since I observed him harass. similarly another new worker two years later; but it was also at. MI5s instigation, since they kept providing him with words from my home. life which he then proceeded to abuse me with. Yet this is not the only employment that. MI5

have destroyed; the MI5 persecution has lasted from the end. of my student days. until the present time, during which I have had three jobs, all of which have been in. various ways destroyed by MI5s deliberate actions.

In March 1999. I decided to try to force the issue once and for all. Ever weekend for the last four months,. apart from two weeks when I was on holiday, I have. sent original articles by fax directly from my computer to Westminster politicians. Here is a summary of. the articles of the last four. months;

How to. Identify the Persecutors

Their. use of Schizophrenia to discredit my claims
Comparing the MI5. Persecution with German "Final Solution"
MI5 are Plainly. Trying to Kill Me
MI5 Waste. Taxpayer Millions on Pointless Hate-Campaign
Four Years of "MI5 Persecution" Posts on. Internet Newsgroups
MI5 Agents are Clinical. Psychopaths
BBC Newscasters Lior the Victims. of MI5
MI5. Have Systematically Destroyed My Life
Harassment through the. Radio

To my deep worry. these fourteen faxed articles have still not achieved the objective of kicking the matter out into the public. arena and forcing an admission either from the persecutors, or from those "in the. know", which includes. some M.P.s.

I dont really know what else to. do to try to bring the "MI5 persecution" out into the open. I would have. expected that these weekly faxed articles would have had some effect, but the only. result has been M.P.s telling me to contact my own. representative Mr Hill who refuses to talk to me. I. understand the convention that M.P.s deal with their own constituents. and not those of other M.P.s, but there seems to be a gap in the process since it allows your own M.P. to refuse to deal with you,. and then you are totally denied any representation. at all.

Conclusion

The only conclusion I can inform the readership of these articles of,. is that there. is no conclusion to this matter, yet! Three years of intermittent articles, and four. months of faxes every weekend, have been absorbed by some of the. most powerful people in the country, to no effect.

Whether. these articles continue in the Autumn is entirely up to the "opposition". I offered them a cessation of complaints if they. would leave me alone on holiday in June/July,. and they went right ahead and harassed me anyway,. on holiday and after I returned to London. If MI5 cease their activities now, then I wont have to continue these. faxes in the autumn;. but I suspect they wont cease, which means youre in for more articles later this year. "There will. be no conclusion."

MI5 Want. Me to Send You these Faxes

MI5 seem to. Want to Spin this Business out for as Long as Possible

The MI5 persecution has now been going on, starting from June 1990,. for well over nine. years. If I knew how to put an end to it then I would do so. Of course MI5 have indicated how. they wish to finish the matter, by finishing me. off; they indicated this very clearly years ago when they were shouting "suicide" at. me.

But. a deeper truth is that the MI5 agents carrying out the persecution rely on it for their income. and their livelihood. They have absolutely no interest in anything. other than spinning out the whole business, because that is how they. will maximise their earnings from their employer for the "work". they do against me.

A vital part of. the fantasy structure MI5 have created about me is that I am somehow a worthwhile target. If you bother to read. these faxes, if you browse my website, or perhaps read my posts. on the uk.misc newsgroup, you will have by now twigged. that I am a totally insignificant person who in a proper dictatorship like East. Germany would not merit five minutes of Stasi time. But Britain is improper in. the methods of its corruption, and the Security Service seeks to present me as being a an evil. fascist, an evil communist, an. evil something-else, and even a "national institution".

It occurs to me that to some extent. I am playing into their hands, into their scheme of things, by writing these articles and. sending these faxes. By doing these. things, I elevate my profile, and fuel MI5s paranoid obsession. with me. But to stop sending faxes would be to give up the only hope I have of seeing their campaign "outed". and justice done. Certainly there is no point going to the police again; and as. remarked in a previous article,. the Security Service Tribunal routinely whitewashes every complaint. that is placed before it.

So although MI5 seems to want me to continue sending. these faxes, doing this is the only real chance of. getting this business out into the open. And so Ill continue trying to kick. down their house of cards. At least my situation is less serious than that of some other victims of. the secret services;. unlike Shayler I am not broke and exiled; unlike Fayed I have not lost a son to the. posited activities of the secret services. All I have lost is some of my health,. some of my life, and some of my possible career.

MI5s Abuse of me is. without Cause or Reason

It constantly puzzles me that MI5 refuse. to leave me alone, wherever I go and. whatever I do, or rather, whatever I dont do, since Im not a very socially or otherwise active person. When I am. in England, they chase me all over the place, and once theyve found me, they. pay people to shout rude words. at me. When I am in Europe, they again chase me all over the place, and as. usual pay people to shout obscenities at me. When I am in Canada or visiting the States,. they faithfully chase me all over the place,. and when they find me, pay people to shout obscenities at me.

It is hard to avoid the conclusion that these. MI5 operatives who chase me are total lunatics. You will. remember from a previous articles the assessment "MI5. Agents are Clinical Psychopaths". They have tried to blame me for what they do and what they say; yet. their lies have been wafer-thin, and are clearly seen to. be oiled by the money which they acquire from the Government, and ultimately from. the taxpayer.

They have tried various. lies to put the blame on me; "we have to abuse him because hes a nutter", as. if there werent many tens of thousands of other people with schizophrenia in. the United Kingdom. Their choice of abuse words is. telling; subconsciously perhaps they realise that it is they who are the "nutters", and they try to project their own illness onto. their target.

MI5 Operatives have Nothing Else to Do With Their. Time

Ive seen. the same "Alan Holdsworth" person three or four times over a period of several years. I. saw him at the Civic Hospital in Ottawa in the Emergency Ward, where he. falsely declared his name to be "Tad"; at Ottawa airport in summer. 1998; and on board another flight in 1995.

So what we see from the above paragraph is, the same. people are delegated to watch me for many years.. Without me, they wouldnt have a job. They literally have nothing else to do with their time,. except indulge their voyeurism. against me. With this observation, we come to the core of MI5s campaign against me; these people are not fit for any. job other than the exercise of voyeurism against me, and if. sanity were to land on MI5 then they would be out of a job. If sanity were truly. to land then these people and their employers would be prosecuted for. offences under the Protection from Harassment legislation,. which they are clearly breaking.

It is one of the ironies of their campaign that MI5 have been. trying to make me an object of ridicule for completely. trivial things I have done, while MI5 themselves have. simply not mentioned how ridiculous is their own behaviour and that of broadcast media journalists,. in spying on me while they read the news for example. If the whole truth of this business. is ever exposed, and. despite all my efforts it still seems there is a block on its exposure in Britain, then the rights. and wrongs will be clear to all, and no amount of MI5 lies will be able. to change that. MI5 presumably do realise just how damaging such a revelation. would be both to themselves, and to broadcast media such as the. BBC and ITN, because there has not. been even the slightest chink in the armour, despite four and a half years of my complaints on internet newsgroups and by. fax to politicians and the. media.

MI5s Final Kick in the. Teeth to the British State

For someone like myself born. in the late sixties it seems peculiar to think that Great Britain once used. to have a say in the destiny of foreign peoples in far-off sections of the globe. Modern Britons. tacitly accept the lowering of their country to a third-rate power reliant on the. United States for what little say it has in the world. A. third-rate power, now "reverse-colonised" by third world peoples it once ruled. and riven with internal problems so severe. the government hardly dares acknowledge them.

To this third-rate power the MI5 secret. police are delivering the final kick in the teeth through. a campaign of persecution which is guaranteed to hold the. state up to ridicule throughout the world when it is finally exposed. As a "thought experiment". suppose the French or the Spanish security service had done to one of. their own born citizens what MI5 has done in this country.. Suppose say the Spanish had planted hidden cameras in his home, for the perverted pleasure of. their state television newscasters, just as hidden cameras have been placed in my home. for the perverted pleasure of Martyn Lewis, Nicholas Witchell et. al. Suppose the Spanish service had for nine. years been trying to force suicide on their target; at times, so blatantly that they shouted. the word "suicide".

Now suppose they. were caught.

Of course, as long as MI5. arent caught, theyre laughing. The psychopathic security service agents gets their kicks from shouting abuse at me;. the newscasters, Lewis,. Witchell etc get their jollies, "it was so funny", we were watching this bloke and he couldnt. do anything about it.

But once. theyre caught, the sky falls in. Of course, the "patriotic". MI5-funded media in Britain will try to put the best spin on the MI5/media. activities; it was the targets fault, of course. But most of the world bears no allegiance to Britain.. If this business is ever exposed then a weakened Britain. will become the laughing-stock of the world. And I promise. you, the security services persecution of me will be exposed. MI5 has delivered. a final kick in the teeth to the British state, and I will do everything I can to. ensure the world hears about what they have done.

Metropolitan. Police Refuse to Investigate the MI5 persecution

I have on a couple of occasions tried to. motivate the police to investigate MI5s actions against me. On. each occasion they have refused to do so. In 1995 I went to my local police station and spoke to. an officer there; he refused to accept my complaint, and. seemed interested only in seeing. me leave the station as quickly as possible.

Earlier this year I had some communications. with Det.Sgt.Richards of Charing Cross police. Again I asked him to deal with MI5s. actions against me. Unfortunately DS Richards conformed to the negative. stereotype of the bigoted, ignorant "copper"; he said, "I have read your. various bits on the internet. I'm. afraid there is no substance or credence to it. It's an absolute load of rubbish. I don't investigate rubbish. I can't. be more blunt or to the point than. that."

You have to wonder at the state of law. enforcement in Britain. If the victim of a murder. is black, as happened in the Lawrence case, the police deliberately botch the investigation. If. the victim of a crime is mentally ill, and the perpetrators are the secret services, as in my case, then. the police refuse to even begin. to investigate the crimes committed. Politically Britain is a third-rate country, but. from the point of view of obtaining justice,. Britain ranks down there with third-world countries. You almost feel that MI5 and their media buddies would not. even have. any shame if their activities against me were exposed; after all, why should they? they have the money,. they have the control, OK so perhaps theyve broken a. few dozen laws, but doesnt the fact that the police are too corrupt to investigate these crimes, doesnt that. prove that in fact no crimes. have been committed?

I. should say again what I have said earlier in this article. My losses over the last. nine years have not been as great as those of other victims of British Secret Police. malefaction. Fayed lost his son to their murderous. activities; in my occasional communications with former MI5/MI6 employees I have been informed that a "permanent solution" is not. uncommon for opponents of the British secret police. I. have lost health and financially, but am obviously well enough to. keep fighting my case. Others have lost much more than I. If the joke. which is British "law enforcement". refuses to enforce laws against the security services then that. is something that is recognised in other countries and Britains stock correspondingly falls. Not that. it has very far to fall; the days when England had any. say in the world are long gone.

MI5 Want. These Faxes to Continue

Before the holiday, I said that if MI5s harassment of. me stopped, then I would cease my complaints.. They have known very well that if they continued. to harass me then I would resume the fax campaign in the autumn. Yet they have not stopped persecuting me. Recently. a woman outside my domicile screamed her head off with. abuse in the direction of my window; and on Saturday. 2 October, when I was shopping at a nearby supermarket, a man shouted the particularly vile sexual swear. word which I have heard many times before over the last few. years.

MI5s attitude shows complete arrogance.. Yet it also shows that they want the faxes to continue and deliberately try to provoke me into. sending further faxes. The reasons for. this are given in the first paragraphs of this article; the MI5 operatives who. persecute me have nothing else to do with their time;. to make their campaign, against an apparently unreacting target, have some value,. they have to force me to react in some way against their actions; and by reacting in this way, by. bringing their campaign. to the attention of British politicians, I play into their hands, by giving their campaign the attention. and importance which they feel it deserves.

In the short term, by sending these faxes,. perhaps I am doing something they want me to. do, but in the longer term it is undoubtedly more in my interest than theirs for their activities to be. exposed. If their operatives truly do wish to see these faxes continued then they. are

committing a serious mistake, because it significantly increases. the risk if M.P.s (some of whom. already know about MI5s activities against me) are advised of my side. of the story.

I will continue to monitor. and record the secret services activities against me. over the next few weeks. If they diminish and cease, as I hope they will, then I may. be able to call a halt to these faxes; but that it something which is. entirely up to them; recently their continued harassment makes clear that they. do wish the faxes to continue, and in all sincerity. I do think they will continue their activities and make it impossible. for me to cease these faxes. It may trouble you to receive these articles, but it troubles me much more to be on the receiving end. of a national persecution campaign; and. while Britain does not have free speech provisions as does Canada in the. Charter of Rights and Freedoms, and the US in the. first amendment to the constitution, in practice I do not think anyone is going to try to. have me locked up for speaking the truth. I still cherish the hope that the veracity I express will. be shown for what. it is, and that the truth will prevail and make me free.

Removing. the Mask of Anonymity from the MI5 Operatives

Undoubtedly one factor encouraging the MI5 agents actions against me. has been the fact that they can shelter. behind a mask of anonymity while they carry out their abuse. This is both a. sign of their realisation that their actions. are criminal; for crimes are harder to pin down and make a coherent. complaint about when their perpetrators are unknown; and it is a sign. of their cowardice, since they lack the backbone to say things to my face themselves;. instead they almost always rely on third parties to carry out the actual acts. of abuse.

On a few occasions I have seen the. perpetrators, but on each occasion they have managed to. preserve their anonymity. They travelled on the same British Airways flight as. me in 1994; but BA have ever since refused to give up the passenger list for the. flight, and the police and lawyers have proved useless in. obtaining their identities from the list. Also one of them followed me. into A&E department of Ottawas Civic Hospital a couple of years ago, and gave. his name as (if I heard correctly) "Alan Holdsworth"; but the doctor refused to give out his. identity when I later tried to. speak to him.

If only we knew the identities of the individual operatives, then. it would be possible. to find out the identity of their employing organisation. But I think we know the latter already,. since I have been accusing them on internet newsgroups. for four and a half years now, and they have never denied my guess. Indeed, when I was travelling in January 1996. back to Ottawa, two youths on the (British Airways. again, unfortunately) flight made. a lot of noise at me, one of them saying to the other that I "didnt know who we are". That is a wafer-thin. denial; I had been saying for a year that they were MI5, so a stronger denial would. be necessary if my guess were truly mistaken. I think the lukewarm denial was worse than. no denial. at all, since it confirmed my guess that the employing agency was indeed. MI5.

Conclusion

It has been suggested to me that. by sending these faxes I could be making trouble. for myself; but I dont think so. My psychiatrist knows what I am doing; indeed I have given him a couple of. these articles for him to cast an eye. over.

I dont want to have to send faxes. for the next year, or the year after that. But that is entirely up to MI5.. If they continue to persecute me then I am forced into defending myself.. The ball is in their court, and it is entirely up to them what they. do. If as I suspect it is their intention that. these faxes continue, if that is what they insist will happen then so be. it.

MI5 Persecution. Update: Friday 31 March, 2000

22,544 Faxes Delivered in. Three Years, and Still No Breakthrough

In the. last three years I have sent at least 22,544 faxes to recipients in the UK, of. which at least 13,974 have gone to Westminster. Last weekend alone I sent 832 completed. faxes to politicians, the media and various others,. on the subject of MI5s mistreatment of me these last ten years.

I believe some of the recipients know of MI5s. actions against me in the last decade;. yet they maintain strict "omerta" in fear of the security services persecution. actions being made public.

MI5 Insist that these Faxes. must Continue

Between September 1999 and mid-January 2000, the persecutors,. whoever they might be, mostly. left me alone. I counted only three incidents in almost five months. - which is a lower rate than at any time since June 1990, when this. business started.

By leaving me alone for several months, the "oppressors" were. making an implicit. assurance that they would continue to leave me alone in the future. On 11 January I posted to an. internet newsgroup accepting what I saw as their assurance of no further harassment, stating that. I would cease sending these faxes. - which is the only thing I do in my defence - if they continued to leave. me alone. And for two weeks I did indeed refrain from distributing these. articles.

But MI5 acted in bad faith.. From the last week of January until the beginning of March, they resumed their hate campaign against me with. a vengeance. They even put people in my road three times in. February, one instance of which I recorded. They resumed their. normal behaviour of bugging my phone and house,. listening to where I would go, and then placing people in. that location to "aggravate and annoy" me.

What MI5 did in February is plainly. a contravention of the Protection from Harassment Act 1997,. since it has caused me "alarm and distress" as specified in the Act. But it is a waste. of time going to the police with a complaint, since the police. have done, and will do, absolutely nothing. I complained to the. Metropolitan Police in 1995, and they refused to take my complaint. When I complained again in 1999, the detective sergeant. laughed at my complaint, with the words, "It's an absolute. load of rubbish. I don't investigate. rubbish. I can't be more blunt or to the point than that.". It is useful to remember that the Met also treated Stephen Lawrences parents with similar. discourtesy; police prejudices are similar in my case, so I can take some comfort from. that case and hope that one

day I. will get a fair hearing.

MI5 acted in bad faith, but they also. acted with arrogance. They do not care if. I send 800 faxes every weekend, since they know I cannot prove my claims,. and the recent Shayler case shows how weak external oversight is of the secret services. But they acted with more than. arrogance - the MI5 agents actually want my faxes to continue, they insist that. these faxes continue, since my communications give them an excuse. to continue their activities, and continue in the paid employ of the secret service.. Despite their use of diverse. proxies over the last ten years, it is the same MI5 officers behind the campaign all. the time - I have seen one of them on three occasions in Canada over a period of years, and. it is a safe belief that that same person continues to be paid for. his "work" in harassing me in London now. The average cost of an MI5 employee is some 75,000. per annum, so one may infer that their. officers are amply compensated; their insistence that "hostilities" are. maintained is understandable when placed in. this light.

MI5 Persecution Update:. Friday 7 April, 2000

22,544 +. 837 = 23,381

Last weekend I delivered another 837 faxes to politicians and the. media on the subject of the security service conspiracy which. has destroyed my life. This brings the total. in the last three years to at least 23,381. These. totals do not include partially delivered faxes.

Some of the recipients of these faxes must know. that what I say is true; and I hope to motivate those people to acknowledge the reality. of the harassment which has followed me for ten years. It takes. much time to transmit these articles, but as OCG MD Simpson-Wells said to. me in 1992, you have to be a good communicator if. you are to succeeed.

Harassment in February. 2000

Following a quiet. period of almost five months, the persecution resumed with a vengeance in late January/February. 2000. At this time I was at home in Clapham, London and was a relatively. easy target for the persecutors. They have my house bugged, for audio and I believe video. in some rooms as well; so. they can find out easily where I will be going on a particular day,. and place people in that location to mouth words of abuse at me. (I. know the last sentence sounds like classic paranoia, but it happens to. be true, and some of the people reading this know it to be true.)

On Friday 11 February 2000. I went shopping in Croydon, to buy a watch at H. Samuels. jewellers in the Whitgift Centre. While I was there two youths came into the shop, one of them quietly uttered an. obscenity at me, and they immediately. walked out. They showed no interest in the shop.

That Sunday I met. with a friend in Clapham, who started needling me about "do you know. anything about the CIA and FBI?". Rather unsubtle, and worrying considering Ive known this guy for. 20 years. From the words and demeanour of. this "friend" and others in February, I saw that the persecutors have again been trying. to separate from me what remains of my social. life.

Incidents in. my Road in February

MI5 very rarely place people in my home road to. harass me, but such was their persecutory fervour in February that they did so on three. separate occasions. On. the first such occasion, I was met my two youths who, grinning, said a deeply offensive sexual obscenity at me - at. which I coughed at them, so they called me a "wanker". This incident is. safely

recorded on minidisc-walkman, but because of the offensive nature. of their abuse the recording. will not be made public.

Another. incident very early in the morning of Sunday 20/Feb/2000 occurred outside my home, following an evening in Croydon with. some schoolfriends. Again there were two youths -. for some reason the persecutors always. travel in twos or threes, very rarely is there just one of them - perhaps they need a group to bolster their. courage, perhaps just one of them wouldnt have the. guts to say something unpleasant. One of the youths said quietly, and bitterly, "shitty, very. shitty".

Anyway, in March there were no further incidents near my house. in in my road, and our neighbours are very well disposed. towards us, so let us hope that the current quiet. continues.

Mark claims that in the past three weeks he counted the alleged forgeries
and said, "the result was 356 post forged in my name call or my wifes name
and "

Then he goes on to post three times that many IN A SINGLE DAY. Yesterday,
Sunday, he topped 1.000 in a single day.
Lets see...by his count, that would amount to about 119 posts in a week that
he claims are "foreries".

Heck, he's eclipsed 3,000 posts just this week alone.

And yes, I have already sent a complaint to Hughes and if they ignore me?
I'll print out some of Mark's posts and send them to Hughes via snail mail
at the address provided at
